PROFESSIONAL EXPERIENCE

Freelance Full-Stack Developer

2026 – Present

- Delivered multiple client web applications end-to-end -- gathering requirements, building with PHP/Python (Django, Flask), JavaScript, and MySQL, deploying on Linux VPS via Git/GitHub, and integrating Razorpay payments with ongoing production support.

PROJECTS

TalesTexts -- Publishing Platform

2025 – Present

Django | MySQL | Bootstrap | JavaScript | talestexts.com

- Built and deployed a publishing platform with role-based dashboards, Argon2-secured authentication, and file management on Hostinger KVM VPS.

Kriyaatmak -- Photography Studio Platform

2026 – Present

PHP | MySQL | JavaScript | Razorpay | kriyaatmak.com

- Redesigned a client photography platform with booking workflows, galleries, and Razorpay-integrated partial payments; manage ongoing deployment.

Department Website -- Government First Grade College, Yelahanka

2026

HTML | CSS | JavaScript | psychologydepartment.in

- Developed and deployed the official Department of Psychology website end-to-end, independently.

Federated Skin Disease Detection

2026

MobileNetV2 | Flower Federated Learning | Flask | GitHub: federated-skin-disease-detection

- Built a privacy-preserving federated learning system (FedAvg, Replay Buffer, Freeze Layers, Validation Gate) with a doctor-verification workflow, achieving 75.41% global federated accuracy.

Smart LPG Booking System

2025

Java | JDBC | MySQL | GitHub: AF05148725-Smart-LPG-Booking-System-JDBC

- Built a Java/JDBC console application with conditional householder-vs-commercial booking logic, address-based delivery tracking, and full CRUD operations.

DeptSync -- Academic Management System

2024 – 2025

Flask | MySQL | Python | JavaScript

- Built role-based dashboards for HODs, Staff, and Students with QR attendance, OTP verification, and multi-level leave workflows.

AI Smart Vision Assistant

2025

Flask | YOLOv8 | MySQL | Python

- Built a real-time object detection assistant with multilingual voice commands and self-learning correction.
